KEY METRICS

176% Revenue Growth (Jus Amazin FY24-25) | 2.5x Brand Recall Increase | 40% Design Efficiency Gain | 15+ SKUs Designed End-to-End | BFA Gold Medal - University Topper, CAVA Mysuru

PROFESSIONAL SUMMARY

Art Director with a fine art foundation and 4+ years of cumulative commercial design experience building brand systems and advertising campaigns that drive measurable revenue. Sole creative director for Jus Amazin's complete visual overhaul - packaging, motion campaigns, and brand identity across 15+ SKU lines contributing to 176% revenue growth. Work spans campaign concepting, brand identity systems, 3D art direction, and AI-augmented creative production. BFA Gold Medalist, CAVA Mysuru. Bengaluru-based; open to remote and international engagements.

PROFESSIONAL EXPERIENCE

Jus Amazin Foods and Beverages | Bengaluru

Design and Communications Manager - Art Director

December 2024 - Present

Promoted from Visual Communicator to Art Director within 18 months based on measurable creative and commercial impact.

- Campaign Direction: Conceived and art-directed three advertising campaigns - an Almond Milk 30-second Q-commerce comparison film, a Desi Energy Bar retail launch system, and a Superfoods precision-typography campaign - extending brand visual language into motion, retail POS, and digital. Portfolio: sivnco.in/campaigns
- Creative Direction: Sole creative director for Jus Amazin's complete brand system across 15+ SKU lines - contributing to 176% revenue growth and a 2.5x increase in brand recall. Every visual decision owned end-to-end.
- Brand System Architecture: Built the visual language from zero - earth tone palette, typography system, photography direction, shelf impact strategy, and brand guidelines enabling the entire team to produce on-brand assets independently.
- 3D Art Direction: Directed photorealistic Blender product imagery - camera angle, material specification, and lighting chosen as deliberate art direction decisions, used across Amazon, quick-commerce, and campaign decks.
- AI-Augmented Production: Directed AI-driven social media video and presenter-style content using Runway ML and Eleven Labs - prototyping multiple visual directions before committing to final executions.

Tools: Adobe Illustrator, Photoshop, InDesign, After Effects, Blender, Figma, Runway ML, Eleven Labs, Procreate

Jus Amazin Foods and Beverages | Bengaluru

Visual Communicator

August 2023 - November 2024

- Built the foundational packaging system for 15+ SKUs - the design work that underpinned 176% revenue growth and established the visual identity later extended into campaigns.
- Developed social media visual systems, email marketing templates, and packaging compliance documentation used daily across the team.
- Improved design-to-print efficiency by 40% through standardised workflows and reusable template systems.
- Expert in flexible packaging specifications: Matt BOPP, Met-PET, and PE substrates; managed Rotogravure and digital print transitions across production runs of 16,000 to 200,000+ units.

Svarnart Academy | Malleshwaram, Bengaluru

Co-Founder and Creative Director

2025 - Present

- Co-founded a multi-disciplinary creative academy combining Carnatic music, painting, illustration, and graphic design education - built brand identity, curriculum architecture, student systems, and marketing from zero.
- Ran Summer Camp batches (April and May 2026) across multiple cohorts; designed the complete Svarnart visual identity and deployed svarnart.com.

Sivnco - Independent Design Studio | Remote and Bengaluru

Founder and Principal Designer

2023 - Present

- Founded and operate an independent design studio for D2C, FMCG, and founder-led brands - brand identity, packaging design, campaign art direction, illustration, and 3D visualisation.
- Built and deployed sivnco.in - a custom-coded portfolio with GSAP animations, Supabase backend, and an AI-powered portfolio assistant.

Openhouse Technologies | Bengaluru (Whitefield)

Art and Design Teacher

April 2025 - April 2026

- Taught structured Art and Design to 20+ students weekly (ages 5-15) - drawing fundamentals, watercolour and acrylic painting, colour theory, composition, and design thinking.
- Designed and adapted lesson plans per learner age and goals; tracked progress and communicated milestones to parents.

Refresh Kid LLC (EdTech) | Remote - Texas, United States

Graphic Designer

2022 - 2023

- Delivered social media creatives, marketing banners, and brand assets for a US-based EdTech company - fully remote and asynchronously across time zones.
- Built professional habits for international delivery: reliable communication, deadline discipline, and output-over-hours working style.

WhiteHat Jr, Muskurahat Foundation, Unschoool | Remote and Bengaluru

Design and Marketing Intern

2021

- Rotated across EdTech, NGO, and e-learning sectors - visual communication, marketing design, and fundraising campaign support. Built foundations in remote collaboration and cross-functional working.
