Open to Remote & International Roles

PROFESSIONAL SUMMARY

Brand and packaging designer with 4+ years building visual systems that measurably grow businesses. Contributed to 176% revenue growth (FY 2024–25) at Jus Amazin Foods & Beverages — owning packaging across 15+ SKU lines, brand identity, 3D rendering, social media, and print production. Promoted from Visual Communicator to Manager in 18 months. Parallel roles as art educator, creative academy co-founder, and independent studio founder.
Bengaluru-based; open to remote and international work.

PROFESSIONAL EXPERIENCE

Design & Communication Manager · Jus Amazin Foods & Beverages

August 2023 – Present | Bengaluru, Karnataka

- Own all visual and print communication for a D2C clean nutrition brand as the sole in-house designer — from packaging brief to shelf-ready file.
- Designed 15+ SKU packaging lines end-to-end: Jowar Puffs, Almond Butter, Desi Energy Bars, Gluten-Free Atta, Millet Mixtures, and Pancake Mix — each requiring distinct structural and visual treatment.
- Contributed to 176% revenue growth (FY 2024–25) through packaging redesign that drove shelf dominance and consumer trust — resulting in an estimated 2.5× increase in brand recall.
- Improved production efficiency by 40% through standardised design-to-print workflows and reusable template systems across the packaging line.
- Expert in flexible packaging specification: Matt Bopp, Met pet, and PE substrates; print compliance and bleed requirements.
- Managed print manufacturing transitions between Digital and Rotogravure processes; Led high-volume production runs from 16,000+ unit to 2,00,000+ sticker batches.
- Handled vendor coordination for print and packaging — RFQs, pricing sheets, sample approvals, timelines, and quality checks.
- Developed 3D product imagery in Blender — modelling, material simulation, and photorealistic renders used across Amazon listings, quick-commerce platforms, and marketing decks.
- Scripted and produced AI-driven social media video ads and presenter-style content using Runway ML and Eleven Labs — tailored for Indian D2C and health-food audiences.
- Created all social media visual systems, email marketing templates, packaging compliance documentation, and outward-facing brand assets.
- Promoted from Visual Communicator to Design & Communication Manager within 18 months.

Tools: Adobe Illustrator · Photoshop · InDesign · After Effects · Blender · Figma · Procreate · Runway ML · Eleven Labs

Art & Design Teacher · Open house Technologies

April 2025 – April 2026 | Bengaluru (Whitefield Campus)

- Teach structured Art & Design to 20+ students weekly across age groups (5–15 years) — covering drawing fundamentals, watercolour and acrylic painting, colour theory, composition, and design thinking.
- Design and adapt lesson plans to learner age, prior experience, and creative goals — from young children building foundational skills to adults developing design literacy.
- Track student progress, communicate development milestones to parents, and contribute to campus enrolment growth through demonstration sessions and referral-led outreach.

Co-Founder & Creative Director · Svarnart Academy

2025 – Present | Malleshwaram, Bengaluru

- Co-founded a multi-disciplinary creative academy combining Carnatic music, painting, illustration, and graphic design education — built from zero including brand identity, curriculum, student systems, and marketing.
- Successfully ran Summer Camp batches (April and May 2026) across multiple cohorts — managing student progression, scheduling, and parent communication.
- Developing online course structure and revenue model for sustainable growth and eventual international digital reach.

Disciplines: Carnatic music · Watercolour & acrylic painting · Illustration · Graphic design · Colour theory

Founder & Principal Designer · Sivnco — Independent Design Studio

2023 – Present | Remote / Bengaluru

- Founded and operate an independent design studio focused on D2C, FMCG, and founder-led brands — offering brand identity, packaging, marketing design, illustration, and art commissions.
- Structured across four service tiers from single-brief project to monthly studio partner retainer; built and deployed the studio website (sivnco.in) with portfolio and enquiry management.
- Positioned around commercial design outcomes: every engagement is framed around measurable brand impact, not just aesthetic delivery.

Website: sivnco.in

Graphic Designer · Refresh Kid LLC (EdTech)

2022 – 2023 | Remote - United States - Texas

- Delivered social media creatives, marketing banners, and brand assets for a US-based EdTech company — fully remote and async across time zones.
- Built professional habits for international delivery: reliable communication, deadline discipline, and output-over-hours working style.

Design & Marketing Intern · WhiteHat Jr | Muskurahat Foundation | Unschool

2021 | Remote & Bengaluru

- Rotated across EdTech, NGO, and e-learning sectors — visual communication, marketing design, social media content, and fundraising campaign support.
- Built early foundations in remote working, cross-functional collaboration, and adapting creative output to different brand contexts.

SKILLS & TECHNICAL EXPERTISE

Brand & Identity Design: Brand identity systems · Logo design · Visual language · Brand guidelines · Design systems · Art direction · Typography

Packaging Design: Flexible FMCG packaging · Label design · Material specification (Matt Bopp, Met pet, PE) · Print production management · Rotogravure & digital print · Shelf impact strategy · E-commerce product imagery
